Proposed Stipulation of Settlement; NO_x Waivers for Clean Air Act Conformity Requirements

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice of proposed stipulation; request for public comment.

SUMMARY: In accordance with section 113(g) of the Clean Air Act (Act), notice is hereby given of a proposed stipulation of partial settlement in litigation instituted against the Environmental Protection Agency (EPA) challenging EPA's rules on determining conformity of federal actions to State Implementation Plans (SIPs). The Environmental Defense Fund (EDF) and several other environmental groups challenged numerous aspects of EPA's transportation and general conformity rules issued under section 176(c) of the Act (58 FR 62,188 (Nov. 24, 1993); 58 FR 63,214 (Nov. 30, 1993)). *EDF et al. v. EPA, et al.*, D.C. Cir. No. 94-1044 and consolidated cases.

EPA is currently reconsidering various provisions of these regulations, including some of those under challenge by EDF. The parties to the litigation agree that judicial consideration of the issues under reconsideration by EPA should be stayed pending EPA action with respect to any changes to those provisions.

One of the provisions under reconsideration by EPA is EPA's authority to issue exemptions from interim conformity requirements for NO_x emissions under the authority of section 182(f) of the Act. EPA proposes to enter into a stipulation with EDF in which EPA will commit not to use the authority of the conformity regulations to sign any conformity waivers under section 182(f) of the Act for areas subject to section 182(b)(1) of the Act from April 20, 1995 until EPA takes final action completing the reconsideration of the conformity regulations with respect to this issue. In addition, if EPA grants any conformity waivers during the period described above as to areas not subject to 182(b)(1) and the regulatory provisions relied upon in issuing such waivers are reversed by the court, EPA agrees to reconsider any such waivers within six months following such court determination.

For a period of thirty (30) days following the date of publication of this notice, the Agency will receive written comments relating to the proposed modification of the stipulation of settlement. EPA or the Department of Justice may withhold or withdraw
